## Public Finance Canada Harvey Rosen

**public finance - brandeis university** - public finance harvey rosen chapter one: introduction 1. this book is about the taxing and spending activity of government, a subject usually called public finance. this term is something of a misnomer, because the fundamental issues are not financial (that is, relating to money). rather, the key problems relate to the use real resources. p4 2. our focus is on the microeconomic functions of ...
